

NEWS FROM ALL PARTS OF FLORIDA

Brief Happenings From Various Sections of State.

THE MOST IMPORTANT EVENTS

Transpiring in "The Land of Flowers."
Things "Boiled Down" to Suit the Busy Reader—Items of Interest to All Classes.

The Florida College of Pharmacy has been organized in Jacksonville, with Dr. Edward E. Liell as president, and Joseph G. Hahn as secretary.

It is thought that the atrocious murder of the Christmas family is the work of the "Before Day Club." Every effort is being made to apprehend the criminals.

The bodies of thirty soldiers who died during the Spanish-American war in 1898, while the troops were in camp at Jacksonville, have been shipped to St. Augustine, where they will be interred in the National Cemetery.

By command of Gen. Stephen D. Lee, commanding-general of the United Confederate Veterans, Col. Fred L. Robertson has been promoted to the position of assistant adjutant-general of the United Confederate Veterans, with the rank of brigadier-general.

The contract for the new public school building in Orlando has been awarded to Blackburn Gammon Co. of Tampa for \$23,000. Work will be commenced at once and the building completed at the earliest moment and in time for the new year school. It will be of brick and three stories.

The Orlando Daily Reporter says that the sufferers from the recent wreck on the Seaboard Air Line Railway have received from the railroad company the following sums: The widow of John Lander received \$4,000; the widow of Bill James, colored, received \$2,000; Hugh Holly, colored, received \$500; Conductor Platt was paid sufficient to cover the loss of his clothing. The company paid nothing to O. Osborne, the express messenger who was injured, as it is claimed the express company is liable for that, but Mr. Osborne has brought suit against the Seaboard for \$10,000 damages. The railroad paid other small amounts to passengers and took care of them until they could go on their way. The widow of Engineer Lambers, killed, and Engineer Porter who was injured, have received nothing, and Conductor O'Neal was discharged from the service of the company.

For Biliousness and Sick Headache
Take Orino Laxative Fruit Syrup. It cures the stomach, aids digestion and acts as a gentle stimulant on the liver and bowels without irritating these organs. Orino Laxative Fruit Syrup cures biliousness and habitual constipation. Does not nauseate or grip and is mild and pleasant to take. Remember the name, Orino, and refuse to accept any substitute. J. W. McCollum & Co.

Situation Again Changed.
Berlin, Feb. 15.—The situation at Algiers has again changed. There is a possibility of a way yet being found to bring the German anti-French government into agreement, though the exact nature of the suggestions which have been made by a mutual power are not made public.

A Card.
This is a card to certify that all druggists are authorized to refund your money if Foley's Honey and Tar fails to cure your cough or cold. It stops the cough, heals the lungs and prevents serious results from a cold. Cures la grippe cough and prevents pneumonia and consumption. Contains no opiates. The genuine is in a yellow package. Refuse substitutes. J. W. McCollum & Co.

McCall Seriously Ill.
Lakewood, N. J., Feb. 15.—So far as could be learned there was no noticeable change Wednesday in the condition of John A. McCall, whose illness is so grave that the last sacraments of the church have been received.

Sick Headache.
This distressing ailment results from disordered condition of the stomach. It is that is needed to effect a cure is a use of two of Chamberlain's Stomach and Liver Tablets. In fact, the attack may be warded off, or greatly lessened in severity, by taking a dose of these tablets as soon as the first symptom of an attack appears. Sold by all druggists.

Thousands Have Kidney

Trouble and Never Suspect it.

Fill a bottle of common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

STILL HOLDING COTTON.

Farmers of Alachua Section Want Decent Price for Their Staple.

From reports received from Alachua the cotton in the Alachua warehouse which is being held by growers is yet unsold. This amounts to about 1,200 bales and the growers are determined upon a good price before the staple is released.

A few days ago a committee from the growers of the Alachua section was appointed to secure bids from the various buyers throughout the country. This committee has received several bids, it is understood, but none have been satisfactory, hence none have been accepted. It is understood that the highest price offered has been 17 cents a pound for the highest grades, with other grades in proportion, but this amount was not sufficient to satisfy those who are holding the staple. The growers do not seem to be disposed to sell their cotton in broken lots, but as a whole, and feel that they will secure a bidder soon at the price they are asking.

Man Past Sixty in Danger.

More than half mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of the prostate gland. This is both painful and dangerous and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for 20 years, although I am now 91 years old." J. W. McCollum & Co.

The Rathbone Sisters.

The Rathbone Sisters, the women's degree of the Knights of Pythias, held an interesting session at Waldo Tuesday night, at which work was conferred upon two candidates of this city, Gainesville not having a lodge of this order. At the conclusion of the meeting, which was well attended, there was a fine spread, and those present enjoyed the function immensely. The order of Rathbone Sisters is growing in Florida and it will not be a great while before every Pythian lodge in the State will have a branch.

Croup

Begins with the symptoms of a common cold. There is a chilliness, sneezing, sore throat, hot skin, quick pulse, hoarseness and respiration. Give frequent small doses of Ballard's Horehound Syrup (the child will cry for it); and at the first sign of a croupy cough apply frequently Ballard's Snow Liniment to the throat. Mrs. A. Vliet, w. Castle, Ne Colo., writes, March 19, 1902: "I think Ballard's Horehound Syrup a wonderful remedy, and so pleasant to take." Sold by W. M. Johnson.

Ike Johnson, a colored man, had a row with Frank Brown at Roy, St. Johns county, a few days ago, and shot at him. He missed him, but hit his brother, Julius Brown, so the bullet was not wasted.

BOY WAS ASSAULTED.

Norwood Baker Struck by Negro Man, Went Home and Collapsed.

Norwood Baker, son of Mr. and Mrs. P. H. Baker, was the victim of a peculiar assault near the Tabernacle Thursday night. He was on his way home when a burly negro man, he says, assaulted him, striking him with a stick and knocking him to his knees. In a dazed condition the young man proceeded to his home, and upon reaching there collapsed. He was unconscious for several hours, but was enabled to resume his studies at school Friday.

Mr. Baker did not recognize his assailant.

Itch—Ringworm.

E. T. Lucas, Wingo, Ky., writes, April 25, 1902: "For 10 to 12 years I had been afflicted with a malady known as the 'itch.' The itching was most unbearable. I had tried for years to find relief, having tried all remedies I could hear of, besides a number of doctors. I wish to state that one single application of Ballard's Snow Liniment cured me completely and permanently. Since then I have used the liniment on two separate occasions for ring worm and it cured completely. 25c, 50c and \$1. Sold by W. M. Johnson.

Smokers Well Provided For.

New York, Feb. 15.—Eight million cigars and 224,000,000 cigarettes were made in New York last month. There were also manufactured 707,000 pounds of tobacco. This means two cigars apiece for every man, woman and child in the greater city. It means 56 cigarettes apiece for every man, woman and child.

Pirating Foley's Honey and Tar.

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. J. W. McCollum & Co.
